A Spanish technology centre is looking for non-profit organisations or research and technological centres to participate in an FTI-H2020 project (RE2CYCLE) in order to develop a pilot project for a sustainable cycling infrastructure for municipalities. Partners sought should have the capacity to: identify safety standards and installation conditions, check design conditions, participate in demonstrative actions and carry out dissemination and communication activities.

Deadline for EOI: 18 Feb 2020

Deadline of the Call: 19 Feb 2020
