Two Slovenian research institutes and a large Slovenian company are searching for integration into a consortium for the call Horizon 2020 Green Deal (LC-GD-4-1-2020). The aim of the project is to develop a new process for expanded polystyrene production with improved reaction to fire properties and enabling recycling of waste expanded polystyrene from construction and packaging. Companies and research institutions with expertise in expanded polystyrene are sought.

Deadline for EOI: 24 Dec 2020

Deadline of the Call: 26 Jan 2021

### ITALY

An Italian company is preparing a proposal in the Green Deal Call, Topic 6 - Farm-to-Fork Strategy, Subtopic E. The company will act as coordinator of the project and is looking for two partners to integrate the consortium: a stuffed pasta manufacturer for testing and system validation of a production prototype; a University or R&D centre for the analysis system necessary to support the project. A research cooperation agreement is foreseen with selected partners.

Deadline for EOI: 10 Dec 2020

Deadline of the Call: 26 Jan 2021
